Create IDR for Upload

If you have installed CHIP-AZ v13.1 or greater,

1. Please go to CHIP-AZ Reporting tab, Immunization Reporting and select the appropriate IDR grade group.
   a. 
2. After the IDR Summary Entry opens, be sure it is complete then click the printer icon on your CHIP-AZ IDR Summary Entry screen. It is not necessary to print the report, just display it.
   a. 
Be sure to do above for each grade level present at your school.

If you have NOT installed CHIP-AZ v13.1 or greater, please seeks assistance to do so at once. You need v13.1 or greater to create accurate 2010 IDR's.
