

## Student Screening Report Consolidated

V12 Enhancements allow you to select recent year or years versus all years.

### Screen Consolidated Report – v12 New Stuff

1. Limits reported school years to greater than or equal to year entered.
2. Some new listings for SPED students.

Student Screening Report Consolidated

Consolidated report which includes Hearing, Vision and Other Health Screenings such as Height-Weight.

School Year >=: 2009-2010 Include W's Since:

Student Name:  **A Student**

Enter a grade or \* for all grades: \* **By Grade**

**By Name (all)**

**Spec Ed (only)**

**Spec Ed (V/H)**

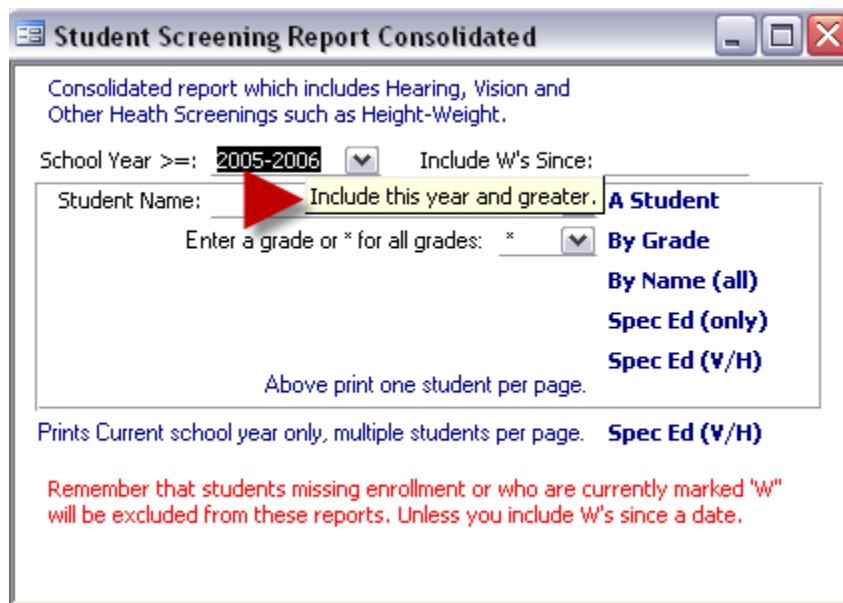

Above print one student per page.

Prints Current school year only, multiple students per page. **Spec Ed (V/H)**

Remember that students missing enrollment or who are currently marked "W" will be excluded from these reports. Unless you include W's since a date. **SPEC**

For example:

1. To list screenings for school year 2009-2010 ONLY, select School Year 2009-2010.
2. To list screenings for school years greater than or equal to 2005-2006, select School Year >=: 2005-2006.
